

MEMICS

**November
14–16
2008**

**4th Doctoral Workshop on Mathematical and
Engineering Methods in Computer Science
Prestige Hotel • Znojmo • Czechia**

Topics

parallel & distributed computing

GRID computing

computer networks
and applications

computer security

theory of formal languages

formal verification

simulation

SW & HW testing
and dependability

computer architectures

quantum computing

Important Dates

September 10 • paper registration

September 17 • paper submission

October 15 • notification
of acceptance

October 24 • camera-ready
paper submission

Organized by

Faculty of Informatics
Masaryk University

Faculty of Information Technology
Brno University of Technology
